Devising Strategy

Well, there's a policy, but I'm willing to listen.

So? William? What do our experts say?

...

Uh huh? Interesting, to say the least. Dorine? What about their experts?

...

Okay. Usually worse, but only just as bad this time. Then fuck the whole lot of 'em! But I could be getting carried away. Bixxy, can you chime in?

"Fuck the whole lot of ?em!"
